

Dear Contributor,

Thank you for supporting Friends of Kay Rogers!

Federal law requires us to use best efforts to obtain and report the name, address, occupation and employer for each individual whose contribution exceeds \$200 in an election cycle. Please print and return this form with your contribution. If you are unable to print this form, please be sure to provide the requested information with your contribution.

In order to contribute, you must agree to these contribution rules:

1. You must be a U.S. citizen or lawfully admitted permanent resident (i.e., green card holder).
2. Your contribution must be made from your personal funds, not from an account maintained by a corporation, labor union, or national bank, and is not being reimbursed by another person or entity.
3. You must make the contribution with your own personal check and not with a corporate or business checking account.
4. You must be at least eighteen (18) years old.
5. You must not be a federal contractor.
6. Contributions or gifts are not tax deductible.
7. The maximum amount an individual may contribute is \$3,300 per election. Your contribution (up to \$3,300) will be designated for the primary election. The next \$3,300 will be designated for the general election.
8. If you are contributing via check and you would like your contribution split with a person who is a joint holder of that account, please note in the memo line how much should be attributed to each account holder as a contribution.
